

As part of the **Canada150** celebrations, we have a little treasure hunt for you, throughout the store. Once you complete all the steps, you have a chance to win one of the **FIVE \$30 coupons** for the store (for a total of \$150 in prizes).

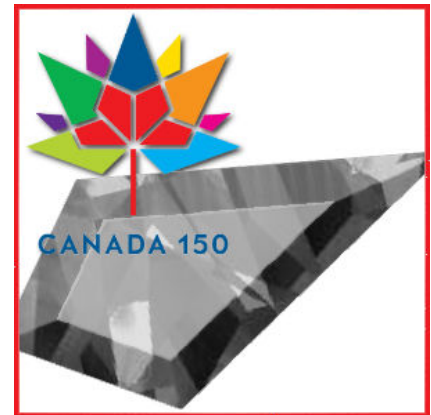

### How do I play?

Download your [gem logo base](#). That is the logo you need to complete with all the gem pieces hidden in the store.

Throughout [the store](#), you will find images with the **Canada150** logo on it.

Click on the image to download your gem. There are 13 in all (for the 10 provinces and 3 territories in Canada). Each gem is a .png image and you can place it on the Gem logo base.

Layer all the gem pieces on the base, and send me a flattened .jpg version at [cassel@creationcassel.com](mailto:cassel@creationcassel.com)

### When can I play?

The hunt for those gems will take place from July 1<sup>st</sup> until July 7<sup>th</sup>. Your entry has to be in by July 7<sup>th</sup> at midnight. The draw will be done on July 8<sup>th</sup>, and the winners will be announced in the newsletter, on July 9<sup>th</sup>.

## **What if I don't finish it?**

Don't worry. Although you can't be entered in the draw, you will be grabbing some goodies as each zip file includes additional freebies that you can use in any project you want to create and show off (and I hope you will show us what you do with them). The freebies include ribbons, elements, alphabets, even one picture tube you can use with a Canadian flair.

## **Do I need an account in the store?**

No. Even visitors can play along.

## **How do I find those gems?**

You have to follow the clues!

- If you loop this ribbon, you can even add an eyelet
- You don't need a curling iron to get this effect
- Do you want to go on a date?
- Cookie Monster is around!
- ABC's can be put on a string if you want
- If you get third place, you don't get gold
- Let the two of you tie the knot together
- Let's split it in half
- Brr... it's cold out here (yes, it can be cold in Canada, in winter)
- Time to throw confetti to celebrate Canada150!
- It is still cold, and they are everywhere
- Sitting between a rock and a hard place
- Make sure you have it on your car!

## Is there more?

As a matter of fact, yes. There is also another treasure hunt in the Campus.

Visit the Canada150 promo page in the Campus for the rest of the instructions
